

ORNANS New Glasgow/Truro Chapter Report for 2017/18

This past year we have not been as active as we normally are. We are going through a transition of staff due to retirements, expanding our service and new hires.

We did have a couple of meetings and we went to Truro to hear a talk with a new Anaesthetist that was very interesting and it was well attended.

Our goal this coming fall is to try to recruit our new staff and to have more educational evenings. We find that if we combine our meetings with an educational evening, we have a better turn out.

We have a healthy bank balance of 5352.68. With this money we are hoping to send participants to the National conference.

A group of us will be attending the AGM on June 9th in Antigonish.

We will be encouraging our members to apply for and attend the National conference in Halifax in May 2019.
